Total working days: 25

Note:

- The Data Analyst/Researcher is expected to **actively** support the Team Lead and Senior/Middle Level Consultant to ensure the success of the evaluation.
- Due dates may shift due to unforeseen circumstances and with agreement of the supervisor/manager without need for amendments as long as the overall fee remains the same.

**Additional Notes**

- The successful consultant should be able to develop, translate and pilot the tools before actual data collection.
- Secondary data and evidence through the adolescent programme documents and available such as progress reports, annual reports, evaluations, etc, can be obtained from UNICEF, as well as policy documents on adolescent girl programming, and others from the implementing partners.
