### UNICEF Cameroon: TERMS OF REFERENCE (TOR)

**Job Title and Level:** WASH CLUSTER OFFICER/ NOB 126065

**Section:** WASH

**Duration:** 364 days (with possibility of extension of 364 days)

**Duty Station:** Buea, Cameroun

### Purpose of Assignment & Justification:

The fundamental mission of UNICEF is to promote the rights of every child, everywhere, in everything the Organization does — in programmes, in advocacy, and in operations. The equity strategy, emphasizing the most disadvantaged and excluded children and families, translates this commitment to children’s rights into action. For UNICEF, equity means that all children have an opportunity to survive, develop and reach their full potential, without discrimination, bias, or favoritism. To the degree that any child has an unequal chance in life — in its social, political, economic, civic, and cultural dimensions — her or his rights are violated. There is growing evidence that investing in the health, education, and protection of a society’s most disadvantaged citizens — addressing inequity — not only will give more children the opportunity to fulfill their potential but also will lead to sustained growth and stability of countries. This is why the focus on equity is so vital. It accelerates progress towards realizing the human rights of all children, which is the universal mandate of UNICEF, as outlined by the Convention on the Rights of the Child, while also supporting the equitable development of nations.

**Purpose of the job:** The WASH Officer reports to the Chief Field Office Buea and HAS AS technical supervisor the Chief WASH. The WASH Officer provides technical, operational, and administrative assistance throughout the WASH programming process. The Officer prepares, manages, and implements a variety of technical and administrative tasks, related to the development, implementation, monitoring, and evaluation of the WASH output results of the country programme.
