**I. BACKGROUND**

UNICEF is a leading humanitarian and development agency working globally for children rights. Child rights begin with safe shelter, nutrition, protection from disaster and conflict and traverse the life cycle. UNICEF strive to ensure that all children are born alive, stay safe and keep learning.

For 70 years, UNICEF endeavour to improve the lives of children and their families through development and humanitarian programmes. Working with and for children through adolescence and into adulthood requires a global presence whose goal is to produce results and monitor their effects. UNICEF also lobbies and partners with leaders, thinkers, and policy makers to help all children realize their rights—especially the most disadvantaged.

**II. PURPOSE OF THE TEMPORARY APPOINTMENT (TA)**

Under the guidance and supervision of the supervisor, establishes and implements country office emergency preparedness and response. Responsible for the development, planning, implementation, monitoring and evaluation of the emergency interventions to ensure the survival and well-being of children and mothers, and the affected communities in an emergency situation.

**III. SUMMARY OF KEY FUNCTIONS/ACCOUNTABILITIES**

**KEY END-RESULTS**

1. Emergency preparedness is effectively arranged together with establishment of country contingency plans and early warning mechanisms.

2. Emergency preparedness and response plans addresses gender issues that may be expected to intensify during emergencies.

3. Emergency plans of action are developed, and compliance and coordination of all sectors with the plans are implemented.
4. Technical advice on emergencies and programme management related to implementation of emergency preparedness measures are effectively provided.

5. Emergency preparedness and response, and a consistent flow of information of the humanitarian situation are effectively coordinated within the office.

6. Substantive improvements are made in the emergency preparedness and response capability of UNICEF staff and implementing partners through conduct of effective training activities.

7. In the event of an emergency, UNICEF’s presence is promptly established, and the initial emergency operational tasks are effectively executed, including provision of support for information communication technology, telecommunications facility and all staff security related assistance in the country office.

8. Needs-assessment is effectively conducted to determine priorities and an appropriate intervention by UNICEF based on the local emergency situation affecting children, their families and community.

9. Timely delivery of assistance and supplies is provided, urgent staffing requirements are identified, and the appropriate use of UNICEF resources is monitored for effective project delivery.

10. Emergency appeals and project proposals are prepared, and concerted efforts are put forward to mobilize donor response and recovery/rehabilitation-related funding.

11. Longer-term requirements of the emergency operation/interventions are determined to build a regular operational and staffing structure.

12. Continuous, effective, and strategic coordination, communication, consultation and liaison are maintained with Government, UN agencies, NGOs, donors and allies in support of the special needs of children and women affected by emergency situations within the framework of the cluster approach and based on the Core Commitment for Children.

13. Management is kept informed of humanitarian developments in relevant policies, situation developments, potential threats and opportunities/issues in the country.

14. Emergency preparedness and response strategies are mainstreamed in the country office’s workplans. Sectoral input is provided for all related documents for the office’s Emergency Preparedness and Response, as well as for the Situation Analysis and the Country Programme Document.

**KEY ACCOUNTABILITIES and DUTIES & TASKS**

*Within the delegated authority and under the given organizational set-up, the incumbent may be assigned the primary, shared, or contributory accountabilities for all or part of the following areas of major duties and key end-results.*

**Emergency Preparedness**

1. Adopts adequate emergency preparedness measures through the development and updating of country contingency plans and establishment of early warning mechanisms, to ensure effective preparedness and response to specific emergencies.
2. Participates in the formulation and development of plans of action in preparation and response to emergencies, monitors compliance of all sectors with emergency plans of action, including financial resources. Ensures coordination of the management of emergency preparedness and response.

3. Provides technical advice related to emergency preparedness and response, including on programme management related issues. Provides advice to the country office in the implementation of emergency preparedness measures in the field to strengthen preparedness and response mechanisms in the country faced with impending emergencies.

4. Develops and maintains databases on country/regional information and ensure the flow of information and communication crucial for the planning and implementation of emergency preparedness and response management. Identifies availability of resources in emergency prone areas and establish logistics plans to be implemented during an emergency operation, to ensure a timely and effective emergency response.

5. Plans, organizes and conducts training for the office’s staff capacity building in emergencies preparedness and response. Assists in developing and conducting emergency training courses. Provides training and/or briefing, as required. Participates in other emergency training workshops in the region and builds up the emergency preparedness and response capability of UNICEF staff as well as implementing partners.

6. Coordinates regular updating of the UNICEF Emergency Preparedness Platform for the country office and ensures deadlines and key targets are met.

7. Coordinates and reaches out to Regional Office and/or Headquarters for guidance.

Emergency Response

6. In the event of an emergency, takes prompt action as a member of the Emergency Response Team which is deployed immediately to establish UNICEF’s presence and implement the initial operational tasks relating to emergency assistance. Immediately verifies the nature and extend of the emergency with staff, government officials, other UN agencies or local organizations and media. Ensures that the office is provided with effective telecommunications facility and staff security assistance in an emergency, as necessary. In coordination with the programme and operations groups, establishes contact with all UNICEF staff, their dependants and visitors to ensure their safety and whereabouts, and informs OPSCEN and the Regional Director of their status.

7. Participates and assists with assessment of local emergency and security situation affecting children and mothers in the locality, in conjunction with the Regional Office, the HQ Divisions, and field staff. Visits the location to conduct an initial rough assessment of the magnitude of the crisis and its implications for children and its impact on the community. Assesses the validity of the office preparedness plan and ability of the office vis-à-vis the current crisis as well as immediate and additional needs. Determines corporate priorities and an appropriate intervention (supply procurement, fund-raising and staff development) by UNICEF. Coordinates with other partners to make a rapid assessment covering priority areas as defined by the Core Commitment for Children in Emergencies. Establishes contact with community groups, government, UN agencies, media
and other partners to keep abreast of emergency situations.

8. Applies the emergency preparedness and response plan as necessary and identifies urgent staffing requirements and redeploy country office staff as required. Executes the timely delivery of assistance and procurement of supplies, monitors the appropriate and effective use of UNICEF resources/inputs. Identifies problems and constraints in order to ensure effective project delivery. Certifies the disbursement of funds, monitors expenditures and submits financial status reports. Sets up a reporting system and sends daily situation reports to concerned parties.

**Emergency Programming**

9. Participates in the implementation of plans of action and workplans for emergency projects. Implements and manages project activities. Undertakes field visits to emergency project areas, to assess local conditions and monitor project progress. Makes technical decisions on project administration (e.g., activates, requests or reprogrammes allocation of emergency funds). Prepares inputs for appeals and updates related to emergencies. Works with program sections and senior management to mobilize donor response and recovery/rehabilitation-related funding, including annual or multi-annual humanitarian appeals and documents (e.g., pitch documents). Communicates and advocates on the situation and needs of children through local and international media, as appropriate.

10. Identifies longer-term requirements of the emergency operation/interventions. Proposes a more regular operational and staffing structure to take over from the Emergency Response Team.

11. Maintains continuous, effective and strategic coordination, communication, consultation and liaison with Government, UN agencies, NGOs, donors and allies to appeal for aid for children and women with special needs resulting from the emergency situation requiring an effective emergency response in all sectors. Identifies implementing/operational partners and establishes implementing arrangements. Ensures that the UNICEF support is effectively provided to the government with respect to sectoral coordination within the framework of the cluster approach and based on the Core Commitment for Children.

12. Participates in all humanitarian and recovery related forum and keeps management informed of all humanitarian developments in the country in terms of policies, strategy, situation developments, potential threats and opportunities/issues in partnership.

**JOB GRADE FACTORS**

The differences in the grades of jobs and positions reflect various differences, among others, in the nature and scope of work, individual contribution, professional expertise required, organizational context, risks, coordination and networking, engagement, partners, beneficiaries, clients/stakeholders’ relations, impact of decisions, actions and consequences, and leadership roles.
National Officer C (NOC)

- Typically, as a functional specialist, provides technical leadership, guidance and support for sectoral/inter-sectoral programme development, design, planning, implementation, and administration of specific emergency project activities within a country programme in a small to medium size country office structure.

- As a seasoned professional technical specialist, the incumbent is held accountable for timely and effective technical contribution to the Emergency Preparedness and Response Management besides technical contribution to the preparation of situation analysis, programme documents, as well as programme strategy, planning, implementation, monitoring and reporting.

- Holds primary responsibility for the implementation of Emergency programme goals and objectives consistent with the established strategy.

- Holds contributory responsibility for strategic recommendations and decisions on the components of situation analysis and programme/project strategy development.

- Assumes primary responsibility for effective management of the assigned cluster, including oversight/supervision of project staff, financial accountability of funds and human resources management and development.

- The job requires excellent communication, negotiation, and other human relations skills, as well as effective strong leadership and decision-making competency in the complex working environment dealing with other UN agencies, governmental officials, NGO counterparts, donors and other important partners.
