II. Organizational Context and Purpose for the job

UNICEF is a leading humanitarian and development agency working globally for the rights of every child. Child rights begin with safe shelter, nutrition, protection from disaster and conflict and traverse the life cycle: pre-natal care for healthy births, clean water and sanitation, health care and education. UNICEF has spent nearly 70 years working to improve the lives of children and their families. Working with and for children through adolescence and into adulthood requires a global presence whose goal is to produce results and monitor their effects. UNICEF also lobbies and partners with leaders, thinkers and policy makers to help all children realize their rights—especially the most disadvantaged.

Job organizational context:

The Generic Job Profile for a Human Resources Officer, at the P2/NOB level, can be used either in the Division of Human Resources, a UNICEF country office, or regional office. They generally report to a Human Resources Specialist/Manager, at either the NOC/P3 or NOD/P4 level, or in some rare cases, Chiefs of section at the P-5 level. This GJP covers a broad range of HR functions, however, depending on the context, the incumbent may focus on all, some, or only one or two areas with great depth. In addition, there may be additional functions not mentioned in the GJP. If this is the case, this can be made clear in work plans and/or individual performance plans.

Positions at the P2/NOB level are considered as supportive roles to higher level HR professionals that are centered on providing research, analysis and recommendations on a broad range of HR functions, or in some cases one specific function. Therefore, while these positions contribute substantively to organization-wide HR strategies, they should also be considered as opportunities for incumbents to acquire professional expertise, organizational knowledge and exposure for further career advancement.
