### Summary

<b>Post Title</b>	<b>Child Protection Specialist</b>
<b>Proposed level</b>	NOC
<b>Location</b>	Gedaref, Sudan
<b>Duration</b>	364 days
<b>Supervisor</b>	Gedaref Emergency Coordinator
<b>WBS &amp; Grant</b>	

### Background

In early November 2020, the UN recorded an influx of asylum seekers at border entry points in East Sudan from Ethiopia, following military confrontations between the Ethiopian Defence Force (EDF) and Tigray Regional Security Forces (TRSF). As of September 2021, there are currently 48,321 refugees (28,374 refugees, including 12,690 children, reside in camps; 9,947 refugees, including 3,283 children, reside out of camps). Fighting along the Sudan-Ethiopian border continues. The existing inter-agency emergency refugee response plan (Nov. 2020 – Dec 2021) foresees an influx of up to 120,000 refugees from Ethiopia, including some 100,000 refugees of Tigray ethnicity into Kassala/Gedaref States.

The State Government of Gedaref, represented by the Commission of Refugees (COR), is leading the overall humanitarian response. UNHCR, in close collaboration with and under the leadership of COR, leads the overall coordination efforts across the response. UNICEF and UNHCR co-lead WASH and Education, Child Protection Sub-Working Groups. The H&N Working Group (WG) is co-led by COR and UNHCR under the overall leadership of State Ministry of Health. UNICEF. UNICEF programming approach to this response has aimed to build capacities of the government institutors at the state and locality level. Most of the programme interventions are implemented through the state ministries and line departments and address the needs of both refugees and host communities. The response interventions aim to provide a strong basis for longer term development of the local populations through system and capacity development.

### Purpose

Under the supervision and direction of the Gedaref Emergency Coordinator, in coordination with the Chief of Field Office Kassala, and Chief of Child Protection, the Child Protection Specialist supports the development and preparation of the Child Protection programme(s) and is responsible for the management, implementation, monitoring, reporting, and evaluation of the child protection programmes/projects within the country programme. The Specialist provides technical guidance and management support throughout the programming processes. H/She facilitates the administration and achievement of concrete and sustainable contributions to national and international efforts to create a protective environment for children against all harm, and to protect their rights to survival, development and well being as established under the Convention on the Rights of the Child, international treaties/frameworks and UN intergovernmental bodies. The Specialist contributes to the achievement of results according to plans, allocation, results based-management approaches and methodology (RBM), and UNICEF's Strategic Plans, standards of performance and accountability framework.

### MAIN DUTIES AND RESPONSIBILITIES

- 1. Support to programme/project development and planning**

- Support the preparation, design and updating of the situation analysis for the child protection programmes/projects to ensure that current and comprehensive data on child protection issues is available to guide UNICEF's strategic policy advocacy, intervention and development efforts on child rights and protection, and to set programme priorities, strategies, and design and implementation plans. Keep abreast of development trends to enhance programme management, efficiency and delivery.
- Participate in strategic programme discussions on the planning of child protection programmes/projects. Formulate, design and prepare programme/project proposals for the sector, ensuring alignment with UNICEF's overall Strategic Plans and the Country Programme, as well as coherence and integration with the UN Development Assistance Framework (UNDAF), regional strategies and national priorities, plans and competencies.
- Establish specific goals, objectives, strategies, and implementation plans for the sector using results-based planning terminology and methodology (RBM). Prepare required documentations for programme review and approval.
- Work closely and collaboratively with colleagues and partners to discuss strategies and methodologies, and to determine national priorities and competencies to ensure the achievement of concrete and sustainable results.
  
- Provide technical and operational support throughout all stages of programming processes to ensure integration, coherence and harmonization of programmes/projects with other UNICEF sectors and achievement of results as planned and allocated.

## **2. Programme management, monitoring and delivery of results**

- Plan and collaborate with colleagues and external partners to establish monitoring benchmarks, performance indicators, other UNICEF/UN system indicators and measurements, to assess and strengthen performance accountability, coherence and delivery of concrete and sustainable results for the assigned sector in child protection programmes.
- Participate in monitoring and evaluation exercises, programme reviews and annual reviews with the government and other counterparts to assess progress and to determine required actions and interventions to achieve results.
- Prepare and assess monitoring and evaluation reports to identify gaps, strengths and/or weaknesses in programme management. Identify lessons learned and use knowledge gained for development planning and timely intervention to achieve goals.
  
- Actively monitor programmes/projects through field visits, surveys and exchange of information with partners to assess progress, identify bottlenecks and potential problems. Take timely decisions to resolve issues and/or refer to relevant officials for timely resolution.
- Monitor and verify the optimum and appropriate use of sectoral programme resources (financial, administrative and other assets) confirming compliance with organizational

rules, regulations, procedures, donor commitments, as well as standards of accountability and integrity. Ensure timely reporting and liquidation of resources.

Prepare regular and mandated programme/project reports for management, donors and partners to keep them informed of programme progress.

### **3. Technical and operational support to programme implementation**

- Provide technical guidance and operational support to government counterparts, NGO partners, UN system partners and other country office partners and donors on the interpretation, application and understanding of UNICEF policies, strategies, processes, best practices, and approaches on child protection related issues to support programme management, implementation and delivery of results.
- Arrange and coordinate availability of technical experts with Regional Office/HQ to ensure timely and appropriate support throughout the programming process.
- Participate in child protection programme meetings, including programme development and contingency planning discussions on emergency preparedness in the country or other locations designated, to provide technical and operational information, advice and support.
- Draft policy papers, briefs and other strategic programme materials for management use, information and/or consideration.

### **4. Networking and partnership building**

- Build and sustain effective close working partnerships with relevant government counterparts, national stakeholders, global partners, allies, donors, and academia - through active networking, advocacy and effective communication - to build capacity, exchange knowledge and expertise, and to reinforce cooperation to achieve sustainable and broad results in child protection.
- Prepare communication and information materials for CO programme advocacy to promote awareness, establish partnerships/alliances and to support fund raising for child protection programmes and emergency interventions.
- Participate and/or represent UNICEF in appropriate inter-agency (UNCT) discussions and planning on child protection related issues to collaborate with inter-agency partners/colleagues on UNDAF planning and preparation of programmes/projects. Ensure organizational position, interests and priorities are fully considered and integrated in the UNDAF process for development planning and agenda setting.

### **5. Innovation, knowledge management and capacity building**

- Apply and introduce innovative approaches and good practices to build the capacity of partners and stakeholders, and to support the implementation and delivery of concrete and sustainable programme results.

- Keep abreast, research, benchmark, and implement best practices in child protection management and information systems. Assess, institutionalize and share best practices and knowledge learned.
- Contribute to the development and implementation of policies and procedures to ensure optimum efficiency and efficacy of sustainable programmes and projects.
- Organize and implement capacity building initiatives to enhance the competencies of clients and stakeholders to promote sustainable results in child protection and related programmes/projects.
