

UNITED NATIONS CHILDREN'S FUND GENERIC JOB PROFILE

14. Emergency preparedness and response strategies are mainstreamed in the country office's workplans. Sectoral input is provided for all related documents for the office's Emergency Preparedness and Response, as well as for the Situation Analysis and the Country Programme Document.

KEY ACCOUNTABILITIES and DUTIES & TASKS

Within the delegated authority and under the given organizational set-up, the incumbent may be assigned the primary, shared, or contributory accountabilities for all or part of the following areas of major duties and key end-results.

Emergency Preparedness

1. Adopts adequate emergency preparedness measures through the development and updating of country contingency plans and establishment of early warning mechanisms, to ensure effective preparedness and response to specific emergencies.
2. Participates in the formulation and development of plans of action in preparation and response to emergencies, monitors compliance of all sectors with emergency plans of action, including financial resources. Ensures coordination of the management of emergency preparedness and response.
3. Provides technical advice related to emergency preparedness and response, including on programme management related issues. Provides advice to the country office in the implementation of emergency preparedness measures in the field to strengthen preparedness and response mechanisms in the country faced with impending emergencies.
4. Develops and maintains databases on country/regional information, and ensure the flow of information and communication crucial for the planning and implementation of emergency preparedness and response management. Identifies availability of resources in emergency prone areas and establish logistics plans to be implemented during an emergency operation, to ensure a timely and effective emergency response.
5. Plans, organizes and conducts training for the office's staff capacity building in emergencies preparedness and response. Assists in developing and conducting emergency training courses. Provides training and/or briefing, as required. Participates in other emergency training workshops in the region, and builds up the emergency preparedness and response capability of UNICEF staff as well as implementing partners.

Emergency Response

6. In the event of an emergency, takes prompt action as a member of the Emergency Response Team which is deployed immediately to establish UNICEF's presence and implement the initial operational tasks relating to emergency assistance. Immediately verifies the nature and extend of the emergency with staff, government officials, other UN agencies or local organizations and media. Ensures that the office is provided with effective telecommunications facility and staff security assistance in an emergency, as necessary. In coordination with the programme and operations groups, establishes contact with all UNICEF staff, their dependants and visitors to ensure their safety and whereabouts, and informs OPSCEN and the Regional Director of their status.
7. Participates and assists with assessment of local emergency and security situation affecting children and mothers in the locality, in conjunction with the Regional Office, the HQ Divisions, and field staff. Visits the location to conduct an initial rough assessment of the magnitude of the crisis and its implications for children and its impact on the community. Assesses the validity of the office preparedness plan and ability of the office *vis-à-vis* the current crisis as well as immediate and additional needs. Determines corporate priorities and an appropriate intervention (supply procurement, fund-raising and staff development) by UNICEF. Coordinates with other partners to make a rapid assessment covering priority areas as defined by the Core Commitment for Children in Emergencies. Establishes contact with community groups, government, UN agencies, media and other partners to keep abreast of emergency situations.
8. Applies the emergency preparedness and response plan as necessary, and identifies urgent staffing requirements and redeploys country office staff as required. Executes the timely delivery of assistance and procurement of

UNITED NATIONS CHILDREN'S FUND GENERIC JOB PROFILE

supplies, monitors the appropriate and effective use of UNICEF resources/inputs. Identifies problems and constraints in order to ensure effective project delivery. Certifies the disbursement of funds, monitors expenditures and submits financial status reports. Sets up a reporting system and sends daily situation reports to concerned parties.

Emergency Project

9. Participates in the implementation of plans of action and workplans for emergency projects. Implements and manages project activities. Undertakes field visits to emergency project areas, to assess local conditions and monitor project progress. Makes technical decisions on project administration (e.g., activates, requests or reprogrammes allocation of emergency funds). Prepares inputs for appeals and updates related to emergencies. Works with program sections and senior management to mobilize donor response and recovery/rehabilitation-related funding, including annual or multi-annual humanitarian appeals and documents (e.g., pitch documents). Communicates and advocates on the situation and needs of children through local and international media, as appropriate.

10. Identifies longer-term requirements of the emergency operation/interventions. Proposes a more regular operational and staffing structure to take over from the Emergency Response Team.

11. Maintains continuous, effective and strategic coordination, communication, consultation and liaison with Government, UN agencies, NGOs, donors and allies to appeal for aid for children and women with special needs resulting from the emergency situation requiring an effective emergency response in all sectors. Identifies implementing/operational partners and establishes implementing arrangements. Ensures that the UNICEF support is effectively provided to the government with respect to sectoral coordination within the framework of the cluster approach and based on the Core Commitment for Children.

12. Participates in all humanitarian and recovery related forum and keeps management informed of all humanitarian developments in the country in terms of policies, strategy, situation developments, potential threats and opportunities/issues in partnership.

13. Promotes that disaster prevention, mitigation, preparedness and response strategies are mainstreamed in the country office's workplans. Prepares sectoral input for the country programme documents, plan of action, annual work plans, and all related documents of the office's Emergency Preparedness and Response. Contributes towards the preparation of the Situation Analysis and the Country Programme Document.

JOB GRADE FACTORS ¹

P/L3; NOC

- Typically, as a functional specialist, provides technical leadership, guidance and support for sectoral/inter- sectoral programme development, design, planning, implementation, and administration of specific emergency project activities within a country programme in a small to medium size country office structure.
- As a seasoned professional technical specialist, the incumbent is held accountable for timely and effective technical contribution to the Emergency Preparedness and Response Management besides technical contribution to the preparation of situation analysis, programme documents, as well as programme strategy, planning, implementation, monitoring and reporting.
- Holds primary responsibility for the implementation of Emergency programme goals and objectives consistent with the established strategy.
- Holds contributory responsibility for strategic recommendations and decisions on the components of situation analysis and programme/project strategy development.

¹ The differences in the grades of jobs and positions reflect various differences, among others, in the nature and scope of work, individual contribution, professional expertise required, organizational context, risks, coordination and networking, engagement, partners, beneficiaries, clients/stakeholders relations, impact of decisions, actions and consequences, and leadership roles.
